

# GENERAL EDUCATION LIST

## General Education Purpose

The purpose of general education is to help students develop the habits of mind that lead to thoughtful and productive global citizenship. COCC includes general education requirements in each degree intended to prepare students to transfer to earn a bachelor's degree; general education is divided into foundational requirements (writing, oral communication, mathematics, and health/wellness/fitness) and discipline studies (cultural literacy, arts and letters, social sciences, and science/math/computer science). All courses in these categories have been approved as meeting the statewide general education outcomes at the time of approval.

## Explanation of Abbreviations

The following COCC courses have been approved by the College's Curriculum Committee for use as general education courses for the AAOT, AS, and AGS degrees and are requirements in some AAS degrees and certificates. Abbreviations are listed below.

- Foundtl Health = Foundational Requirements, Health
