Course Description

Focuses on skill development for beginning tennis players. Students will learn through various drills and court games.

Course learning outcomes

1. Explain the relationship between human behavior and health.
2. Engage regularly in skill development, safety practices, and fundamentals of tennis to develop overall physical fitness and enhance sport activities.
3. Develop perspective in the fundamental concepts of tennis: rules, the court, equipment needed, scoring and tennis etiquette.
4. Summarize the basic skills of singles and doubles tennis play.
