Course Description

Explains the growing awareness of hip hop as a mind-body, dance-style aerobic movement. Includes choreographed moves with each class and building upon each other as a sequenced routine.

Course learning outcomes

1. Explain the relationship between human behavior and health.
2. Engage regularly in skills development, safety practices, and fundamentals of hip hop dance to develop overall physical fitness and enhance sport activities.
3. List the four elements of Hip Hop and explain the history of each.
4. Increase student's ability to memorize and retain different steps and hip-hop moves.

Content outline
