Course Description

Introduces the human services profession. Helps students evaluate their fit within the human services field. Highlights self-understanding and individual compatibility with human services occupations. Emphasizes prevention, early intervention concepts and programs, significance of social justice and multicultural equity.

Course learning outcomes

1. Explain the role of human service agencies within the community.
2. Utilize tools of reflection for career assessment and self-awareness.
3. Describe professional skills and attitudes necessary for effective human service workers.
4. Identify the significance of social justice and multicultural equity in the practices of the human services profession.
