## Recommended preparation

MUS 197A.

## Course Description

A select group of singers that focuses on various jazz idioms: blues, funk, Latin and straight-ahead. Enrollment is by audition. Contact choral program director for information about required audition. May be repeated, no limit.

## Course learning outcomes

1. Demonstrate knowledge and skills in vocal jazz techniques and will have become acquainted with a representative breadth of jazz literature through rehearsal and performance.
2. Learn and perform a diversity of jazz music ranging from standard swing, ballads, pop, fusion and Latin.
3. Perform at least two concerts at the end of each term.
