

ILLUSTRATION - ONE-YEAR CERTIFICATE OF COMPLETION (CC1)

Description

The Illustration One-Year Certificate of Completion provides a thorough foundation in digital illustration using an industry standard approach. Each course covers a unique aspect of the illustration discipline, including vector art for graphics and illustration, concept art, and narrative illustration. The combination of courses is intended to give students the knowledge and skill set to augment their transfer degree and/or consider a career as a freelance illustrator.

Program Learning Outcomes

Upon successful completion of the program, students will be able to:

1. Create illustrations with industry standard software.
2. Model effective and professional communication when collaborating with industry professionals and clients.
3. Produce a portfolio that demonstrates the variety of skills and creativity developed.

ENTRANCE REQUIREMENTS

Academic Entrance Requirements

Total Credits		37-40

¹ BA 214 Business Communications does not fulfill the foundational writing requirement for the AAOT with a focus in Art.

Advising Notes

Planning is important. Some courses are offered only once per academic year, offered in only one delivery format, and many need to be taken in sequence.

Speak with the program director or an advisor to about course scheduling.

Program may take longer than a year to complete depending on support courses necessary to meet minimum course requirements.

Performance Standards

- Academic Requirements:
 - Students must have a 2.0 cumulative GPA to earn a COCC certificate or degree.
 - All courses in the program must be completed with a grade of C or higher.
