

PHYSICS - ASSOCIATE OF ARTS OREGON TRANSFER (AAOT)

Description

The Associate of Arts Oregon Transfer with a focus in physics includes most courses that are commonly required for a major and meets lower-division general education requirements at all Oregon public universities. Since there are minor variations between university physics programs, students may need to take additional courses after transferring.

Statewide General Education Student Learning Outcomes

Please see the [General Education](#) page for statewide general education student learning outcomes.

Entrance Requirements

While this program has no formal entrance requirements, individual courses may have prerequisites which must be met before enrollment.

Course Requirements

Course	Title	Credits
General Education/Foundational		
<u>Health:</u>		
Choose 3 credits ¹		3
<u>Mathematics:</u>
