CENTRAL OREGON
community college

Dear Graduates

You did it! We want to offer you our heartfelt congratulations on earning your degree or certificate. You should be very proud of everything you achieved at Central Oregon Community College. There were challenges along your way but you stayed focused and completed your goal. Enjoy this time to celebrate and reflect on all you have accomplished.

We hope you enjoy this year's drive-thru Commencement ceremony as much as we do. There is so much joy in watching graduates share in their achievements with family, friends, and everyone else who supported them along their educational journey.

Once again, on behalf of our Board of Directors, our outstanding faculty, and our dedicated staff, CONGRATULATIONS!

Central Oregon Community College

2022

This year, Central Oregon Community College is awarding approximately 700 degrees and certificates. These students join more than 20,000 COCC graduates now living throughout the region, the state, the nation, and even the world.

Founded in 1949 as part of the Bend School District, COCC is the oldest community college in the state of Oregon. A total of 109 students registered for one or more of the nine evening courses offered that fall. The College District was formed in 1959 and was officially established as the Central Oregon Area Education District in 1962. The Bend campus opened on Awbrey Butte in 1964. The Redmond Campus began serving students in 1997 and campuses in Madras and Prineville opened in 2011.

Just over 6,600 students took day, evening, and online credit classes in 2021-22, while another 4,600 District residents enrolled in Continuing Education and Professional Development courses.

COCC is a vital part of Central Oregon.

Honors

An honors cord is presented to each COCC student who has completed all requirements for a degree or certificate with a current COCC cumulative grade-point average of 3.60-3.74 for honors, 3.75-3.89 for high honors, and 3.90-4.00 for highest honors. Each student with a perfect 4.00 GPA has an asterisk following their name in the commencement program.
