If a student is doing poorly in their credit class, they may decide to drop the class to avoid having a poor grade on their college transcript. The last day to drop a class will vary depending on the dates the class starts and ends. See the drop/withdraw deadlines for your school on the <u>COCC College Now webpage</u>.

It's the student's responsibility to complete and sign this College Now Drop Form and submit it to the high school teacher if they choose to drop the class.

## There is no refund if a student drops a College Now class.
