# Introduction

Central Oregon Community College, the oldest two-year college in Oregon, provides comprehensive college services to the residents of its 10,000-square-mile district.

COCC offers two-year associate degrees, transfer/lower division programs, career and technical education degrees and certificates, developmental courses, continuing education and community learning classes, industry-specific training programs, and business management assistance.

The College's main campus is located on the western edge of Bend, a city known for its natural beauty and its proximity to diverse recreational opportunities. The location affords spectacular views of the mountains from nearly every point on the 201-acre campus.

The Redmond Campus, located 20 miles north on 25 acres near the Redmond Municipal Airport, offers all of the courses necessary to earn an associate degree. In addition, it is the home of the Manufacturing and Applied Technology Center. COCC also operates campuses in Madras and Prineville where students have access to a variety of credit and non-credit courses and student services.

A branch of Oregon State University was opened on the Bend campus in fall 2001. OSU-Cascades offers 16 accredited undergraduate majors with 25 minors and degree options plus two graduate degree options.

# **Board Members**

A seven-member board of directors governs the College, with members of that board elected from geographic zones in its 10,000-square-mile District.

**DONALD V. REEDER (Zone 1)**

**Madras, term expires 2013**

**LAURA CRASKA COOPER (Zone 2)**

**Prineville, term expires 2013**

**ANTHONY DORSCH (Zone 3)**

**Redmond, term expires 2013**

**DAVID E. FORD (Zone 4)**

**Bend, term expires 2013**

**CHARLEY MILLER (Zone 5)**

**Bend, term expires 2015**

**BRUCE ABERNETHY (Zone 6)**

# Board Mission, Vision, Goals

## Mission

Central Oregon Community College promotes student success and community enrichment by providing quality, accessible, lifelong educational opportunities.

## Vision Statement

To achieve student success and community enrichment, COCC fosters student completion of academic goals, prepares students for employment, assists regional employers and promotes equitable achievement for the diverse students and communities we serve.

## Goals

Central Oregon Community College students will...

- have academic achievements and learning skills necessary to transfer and articulate successfully beyond the community college level (Core Theme 1: Transfer);
- have the workforce knowledge and skills necessary for their careers (Core Theme 2: Workforce);
- have academic achievements and basic learning skills necessary to successfully pursue education at the community college level (Core Theme 3: Basic Skills);
- have access to and participate in wide-ranging lifelong learning opportunities that enhance wellness, quality of life, and cultural appreciation (Core Theme 4: Lifelong Learning).

COCC as an institution will support the values of

- working collaboratively to achieve shared purposes;
- supporting diversity, and interacting effectively with state, regional, national and global communities.

# Core Themes

The COCC Board of Directors adopted four core themes at the 2010 Board Retreat. These themes manifest the essential elements of COCC's mission as articulated in the Board Goals. The core themes are:

## **Transfer and Articulation**

Courses and programs paralleling the freshman and sophomore courses of colleges and universities for those who seek to transfer and then earn a baccalaureate degree.

## **Workforce Development**

### **Career and Technical Education (CTE)**

One- and two-year professional training programs for those who seek certificates or degrees that lead to employment in business, industry, the trades or government service as technicians or skilled workers.

### **Business, Professional and Employee Development**

Noncredit business classes, resources, workshops and information to help individuals and businesses succeed.

## **Basic Skills**

Several academic departments and the College's Adult Basic Education program offer courses that prepare students for college-level classes that will count toward degree completion and are transferable to other institutions. These classes are frequently available online or in classrooms on all campuses or other sites throughout Central Oregon.

## **Lifelong Learning**

Noncredit learning opportunities at times and places convenient to adult students, using traditional and nontraditional instructional techniques. Course topics range from computers to cooking and language instruction to gardening and other outdoor activities.

# **COCC Executive Officers**

**James E. Middleton**

President

**Shirley Metcalf (interim)**

Vice President for Instruction

**Matthew J. McCoy**

Vice President for Administration

**Kevin Kimball**

Chief Financial Officer

**Michael Fisher**

Instructional Dean

**Alicia Moore**

Dean of Student and Enrollment Services

**Jennifer Newby**

Instructional Dean

# **COCC Presidents**

**Don P. Pence, 1957-1967**

(Director, 1952-1957)

**Frederick H. Boyle, 1967-1990**

**Robert L. Barber, 1990-2004**

**James E. Middleton, 2004-present**

# COCC President

## Dr. James E. Middleton

*Dr. James E. Middleton*

Dr. James E. Middleton is in his ninth year as president of COCC.

In that time, he has overseen the College during a period of unprecedented growth—an increase of 100 percent in four years in student credit enrollment; helped present to the community a bond measure

approved in 2009 that is resulting in \$54 million for construction of five buildings throughout the COCC District; and shepherded the successful \$3 million fund-raising campaign for a new culinary arts facility. He has worked to forge closer relationships with educational partners in the region, resulting in significant increases in the number of college courses available to high school students, and a strengthened partnership with OSU-Cascades, the state's first branch campus.

Previously, Middleton served as president of the College of Marin in California (1993 to 2003) and was a visiting scholar at the Community College Leadership Development Initiatives at Claremont Graduate University in California. Prior to moving to Marin, he spent 11 years at Pennsylvania College of Technology in Williamsport, as a division director, dean and vice president.

Dr. Middleton holds five academic degrees including his doctorate from the University of Michigan.

# COCC History

- 1949 COCC opens with four part-time faculty members conducting classes for 109 students during the evenings in the basement of Bend High School.
- 1954 On the fifth anniversary, the students recommend changing the name to Central Oregon College.
- 1955 College Foundation is formed.
- 1957 Don Pence is appointed the College's first president.
- 1962 Central Oregonians approve the 10,000-square-mile College District and later elect the first District board.
- 1962 The R.L. Coats family donates 140 acres on the west side of Awbrey Butte for the campus.
- 1964 Nearly 700 students and 35 full-time faculty members begin classes at the new campus.
- 1966 COCC is accredited and a new 16,000-square-foot library opens.
- 1967 After Dr. Pence resigns, Dr. Frederick Boyle is named president. The college becomes Central Oregon Community College.
- 1971 Ponderosa Hall, a vocational-technical center, and Mazama Gymnasium open.
- 1982 The Pinckney Center for the Arts, named for instructor and administrator, Orde Pinckney, is formally dedicated.
- 1984 The Small Business Development Center opens.
- 1990 The Central Oregon Consortium for Higher Education (COCHE) begins offering selected four-year degrees through Oregon colleges and universities on the COCC campus.

## **COCC History, continued**

- 1990 After Dr. Boyle retires, Dr. Robert Barber is selected as the third president in the College's history.
- 1994 The University Center opens, replacing COCHE.
- 1997 Redmond Campus opens.
- 1998 New 72,500-square-foot library opens. Original library converted to classrooms.
- 2001 The State Board of Higher Education selects Oregon State University to serve as the managing partner of the state's first branch campus.  
Manufacturing and Technology Center opens at the Redmond Campus.  
OSU-Cascades Campus opens.
- 2002 Cascades Hall opens, housing offices and classrooms of OSU-Cascades Campus.
- 2004 Dr. James Middleton becomes the fourth president in the College's history.
- 2009 The Campus Center, including performance venue Wille Hall, opens in April. COCC receives voter approval for a \$41.58-million bond measure to build five new facilities, ensuring eligibility for an additional \$11.47 million in state funding.
- 2011 Building construction is completed for campuses in Prineville and Madras as well as the Jungers Culinary Center.
- 2012 COCC opens new state-of-the-art Health Careers and Science Centers on the Bend Campus including labs for programs in nursing, dental assisting, medical assisting, massage therapy, pharmacy technician, veterinary technician, biology, chemistry, geology and physics.

# COCC Statistics

## 2011–12

- Total enrollment: 18,339 students, resulting in 7,136.37 FTE.
- COCC credit classes enrolled 11,334 students.
- Continuing Education classes enrolled 7,486 students.
- The Small Business Development Center served 463 clients and provided 2,023 hours of business counseling.
- 666 students earned two-year associate degrees; 488 students earned certificates of completion.
- With the help of the Adult Basic Skills department, 25 students earned their GEDs, and 333 students attended English Language Learning classes.
- The COCC Foundation awarded more than \$1 million in scholarships.
- In the College Now/Tech Prep high school articulation program, 449 high school students earned 1,873 credits, saving them \$136,148 in tuition.
- In the College Now/Transfer high school articulation program, 576 high school students earned 5,417 credits, saving them \$330,437 in tuition.

# Tuition and Fees (2012-13)

## Tuition and fees for credit courses

- \$25 one-time application fee
- \$82 per credit hour for in-district residents
- \$108 per credit hour for out-of-district residents
- \$220 per credit hour for out-of-state residents
- \$1.75 per credit (maximum \$18) ASCOCC fee including a 25¢ per credit green energy fee
- \$5 per credit technology fee (\$75 maximum per term)
- \$10 per credit online course fee (online courses only)
- \$16 per term Mazama gymnasium user fee for those students not enrolled in an activity class; free for students enrolled in activity classes (\$82 for non-students)

## Adult Basic Skills department fees

- \$25 Basic Math
- \$25 Basic Reading/Writing
- \$25 English Language Learning classes
- \$110 per half credit high school completion

# Facilities

The 201-acre main campus in Bend includes 25 buildings, incorporating 587,830 square feet. The 25-acre Redmond Campus encompasses three buildings, incorporating 54,299 square feet, including the Manufacturing and Applied Technology Center. The 38,000-square-foot Cascades Hall on the Bend campus opened in fall 2002. A 30,000-square-foot Campus Center, including a student dining facility and symphony practice hall, opened in August of 2009. Most College facilities are available for rent: 541.383.7780.

## **New Building Construction**

Voters in the COCC District approved a bond measure in November 2009 for \$41.58 million for construction, and the state of Oregon made available another \$11.47 million for building projects. Buildings in Madras and Prineville were completed in fall 2011 and allow residents in Jefferson and Crook counties to have easier access to services and classes.

The Health Careers and Science Centers were completed for Fall 2012. The Health Careers Center houses the College's nursing, dental assisting, medical assisting, massage therapy, pharmacy technician and veterinary technician programs and provides modern lab spaces for these critical areas; the Science Center adds labs, classrooms, faculty offices and other student learning spaces. A technology center will be constructed on the COCC Redmond Campus and is targeted to open in fall 2014.

## **Facilities, continued**

The Jungers Culinary Center opened for culinary classes in fall 2011. The state-of-the-art facility has three kitchens, a demonstration theater and a 60-seat dining lab. Funds for this project were provided through the COCC Foundation's capital campaign, a state grant and money from the COCC Capital Project Fund.

For more information:

[cocc.edu/About/Construction/Construction-Projects](http://cocc.edu/About/Construction/Construction-Projects)

### **Computer Labs**

Computer Labs are available to students and District residents.

- 39-station lab in the Barber Library
- 31-station lab in Pioneer Hall
- 29-station lab in Cascades Hall (lab available to OSU and dual-admit students only)
- 20-station drop-in lab at the Redmond Campus
- 28-station drop-in lab/classroom at the Madras campus
- 58 public computer stations at the Prineville campus

### **Student Housing**

Juniper Hall, COCC's on-campus residence hall, houses 102 COCC and OSU-Cascades students. It is operated and managed through COCC's Office of Residence Life. The 2012-13 room and board package for double occupancy is \$8,384.

During the summer, Juniper Hall is rented to groups and conferences.

Call 541.383.7588 for more information.

# Barber Library

The 72,500-square-foot Robert L. Barber Library is named for a former COCC president (1990-2004). It features wireless Internet access, public-access workstations, computer lab and a computer classroom. Students may check out laptops, digital cameras and other technology. There are other student services available in the library such as career advising and placement along with testing/tutoring.

Info: 541.383.7560 or [cocc.edu/Library](http://cocc.edu/Library)

Barber Library features:

- Hundreds of thousands of full text research articles from nearly 200 scholarly electronic resources and databases—accessible via remote login 24/7 to all enrolled students.
- Access to more than 25 million items via the Orbis Cascades Alliance, a consortium of 37 Northwest academic libraries.
- Electronic document delivery available for items not held at COCC or Alliance.
- DVD collection and selective depository for federal documents.
- Group study rooms.
- In-house gallery featuring local and juried art exhibits.

# Redmond Campus

A full range of educational opportunities are available at the COCC Redmond Campus, across from the Redmond Airport:

- Credit classes leading to a transfer degree
- Foundational credit classes for most degrees and certificates
- Academic advising, placement testing, career and job search services, proctored exams, tutoring and financial aid information
- Small business advising
- Customized business training
- GED, basic skills, adult high school diploma and English language learning
- Dual credit — earn high school and college credits
- Self-enrichment classes

COCC's Manufacturing and Applied Technology Center (MATC) is a multi-industry training facility where students can learn technical skills at their own pace and on their own schedule with the help of the skilled and experienced staff. The center specializes in skill development for individuals seeking employment in manufacturing.

For information, call 541.504.2900 or drop by Building #3 of the Redmond Campus.

## **Madras Campus**

The Madras Campus is a 10,000- square-foot facility that includes classrooms, a computer lab, a large community room and offices for faculty and administration. The campus is built on land donated to COCC by the Bean Foundation. Funding for the facility came primarily from the successful 2009 COCC bond measure, with additional money coming from Jefferson County and a U.S. Department of Housing and Urban Development (HUD) grant. COCC offers a variety of credit and noncredit classes and comprehensive student services for area residents.

## **Prineville Campus**

The COCC Crook County Open Campus in Prineville is a collaborative partnership between Crook County, COCC and OSU Open Campus-Crook County. This 12,000-square-foot facility includes seven flexible meeting rooms and classrooms and offers 72 computer stations with high-speed Internet access in the building and mobile computer lab. The campus was funded by a grant awarded to Crook County by the U.S. Department of Commerce Broadband Technology Opportunity Program, proceeds from the voter-approved 2009 COCC bond measure, and support from local contributions and other nonprofit organizations. The campus sits on land donated by Crook County. The partnership offers community college, university and OSU Extension Services courses and programs, workforce training, continuing education and community learning opportunities.

## Adult Basic Skills

Through Adult Basic Skills, students can study to improve skills that will lead them to college credit programs, the GED exam and work. Basic reading, writing and math classes are offered in Bend, Redmond, Prineville, Madras, Warm Springs and La Pine. English Language Learning (ELL) classes are offered in Bend, Redmond, Prineville and Madras. Students can also earn an adult high school diploma at COCC through an online program. Through the ABS programs last year, 25 students earned their GEDs or adult high school diplomas, and 333 students attended ELL classes. A total of 1,138 students were served.

The ABS office is located at the Bend Campus. For information, call 541.504.2950.

# Programs of Study

COCC offers certificates of completion and five associate degrees: Associate of Applied Science, Associate of Arts, Associate of Science, Associate of Science and Associate of General Studies.

Certificates of completion, which require one to four quarters to complete, prepare students for immediate employment or advancement in various fields. Certificate programs include

- Accounting
- Addictions Studies
- Apprenticeship
- Automotive Technology
- Computer and Information Systems
- Computer Aided Drafting (CAD)
- Criminal Justice
- Culinary Arts
- Dental Assisting
- Dietary Manager
- Drafting
- Entrepreneurship
- Forestry
- Geographic Information Systems
- Health Information Technology
- Juvenile Corrections
- Kitchen Prep
- Manufacturing Technology
- Marketing
- Massage Therapy
- Medical Assistant
- Nursing
- Office Assistant
- Oregon Green Technology
- Pharmacy Technician
- Retail Management
- Wildland Fire

The Associate of Applied Science (AAS) degree

## Programs of Study, continued

trains students in applied career technical skills that prepare the graduate for immediate employment in the field. AAS degree programs include

- Addictions Studies
- Apprenticeship
- Automotive Management
- Aviation
- Business Administration
- Computer Information Systems
- Criminal Justice
- Culinary
- Early Childhood Education
- Emergency Medical Services
- Forestry Resources Technology

## **Programs of Study, continued**

- Geographic Information Systems
- Health Information Technology
- Manufacturing Technology
- Massage Therapy
- Nursing
- Structural Fire Science
- Veterinary Technician
- Wildland Fire

Associate of Arts (AA) degree programs fit the needs of most students who intend to transfer. The AA degree meets AAOT (Associate of Arts, Oregon Transfer) lower-division general education requirements for all public Oregon universities and some private colleges. AA programs cover subject areas from anthropology to speech, and pre-majors such as pre-medicine, pre-dentistry and pre-veterinary.

The Associate of Science (AS) degree is individualized for transfer to a designated four-year college or university for a specified major, such as business, science, engineering or technology.

The Associate of General Studies (AGS) degree provides an alternative to pursue a broad, general education and accomplish personal educational goals. It is not transferable as a whole, and does not meet certification requirements for any career and technical area.

# High School Options

Central Oregon high school students can earn college credit by participating in any of these COCC programs:

## **Concurrent Enrollment**

Take up to 11 credits through the concurrent enrollment program. To register for classes on the COCC campus, follow the “Getting Started” steps ([cocc.edu/Future-Students](http://cocc.edu/Future-Students)).

## **Dual Credit**

Some Central Oregon high schools offer college-level general education as well as career and technical education classes in the high schools, taught by high school instructors exclusively for high school students. Tuition rates are \$15/credit for transfer courses and \$10/class for career and technical education courses. Contact your high school counselor for information on course options in your high school.

## **Expanded Options**

High school juniors and seniors have the opportunity to take credit classes at COCC with no charge to them for tuition, fees, supplies and books (transportation to and from COCC not included). Check with high school counselor or ASPIRE coordinator for more information on eligibility requirements.

# Student Services

**CAP Center** (*Career services, Academic advising, Personal counseling and Placement testing*)

The CAP Center provides services to support COCC students to achieve their educational goals and to prepare graduates for family-wage employment.

Info: 541.383.7200

## **Career services**

COCC offers students the following career services: assistance for exploratory students in choosing their academic goals; support for students who are looking for employment while they attend COCC; and services to support students who are approaching graduation to conduct a professional job search.

## **Academic advising**

New, degree-seeking students are assigned an academic adviser during their first term at COCC and meet regularly with their adviser to work on their educational plan, degree requirements, schedule planning, problem solving as well as graduation, transfer and career preparation.

## **Personal counseling**

Counseling assists students who are faced with personal issues that impact their college performance. Services are provided by professional, licensed counselors in a confidential setting at no cost to enrolled students.

## **Placement testing**

COCC offers the ACCUPLACER placement test to students for course placement purposes. The ACCUPLACER system is a computer adaptive test that is College Board approved and designed to assess current skills in reading, English and math.

## **Student Services, continued**

### **Career/Job Placement services**

- free career-planning and job-search workshops
- credit course in career planning and effective job-search strategies
- electronic job-posting website and jobs bulletin board
- Career Services coordinator available

### **Tutoring and Testing Center**

Tutoring services are free to COCC students for the COCC courses in which they are currently enrolled. Tutoring in 23 subjects is offered in a variety of formats at the Bend, Redmond, Madras and Prineville campuses. There are also tutor-led study groups for some key courses.

Info: 541.383.7539

The Testing Center's services are available to students (Bend, Redmond, Madras and Prineville campuses) and community members (Bend and Redmond campuses only) needing academic, professional and standardized testing. GED Testing is available via computer on the Redmond campus exclusively.

For a current list of tests offered, visit [cocc.edu/Tutoring-and-Testing](http://cocc.edu/Tutoring-and-Testing) or call 541.383.7538.

### **Disability Services**

COCC strives to make available to all students, the opportunity for an excellent and rewarding education. The Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973 provide federal guidelines which help the College ensure equal access to students with qualifying, documented disabilities at all of its

## **Student Services, continued**

campuses and community learning centers.

To arrange for specific accommodations, call 541.383.7583 or visit the office in the Boyle Education Center.

### **Multicultural Activities**

The office of Multicultural Activities serves the campus by promoting the implementation of our principles of community, providing educational opportunities for students and employees, planning cultural events and activities, and advocating for students from underrepresented and underserved groups. Working together with the campus Diversity Committee, this office works to implement the goals and outcomes of the campus diversity plan.

Info: 541.383.7412

### **Multicultural Center**

The Center, located in Room 217 in the Campus Center Building, is open to the public and features activities and information to foster cross-cultural understanding and communication.

Info: 541.383.7412

### **Native American Program**

This program provides Native American students with individualized help to achieve their educational goals. It also provides a variety of campus and community cultural events during the year.

Info: 541.318.3782.

### **Programs for Latino Students**

The Latino Program helps students along the road to a successful college career by offering relevant educational programs and cultural activities, providing advice and support, and

## **Student Services, continued**

promoting connections within the Latino community. Info: 541.318.3726

Another program, AVANZA!, is a Latino leadership program that reaches out to local high school students to promote academic achievement and college aspirations.

Info: 541.318.3717

### **Associated Students of COCC (Student Government)**

Represents and serves all students by providing effective governance, advocacy, services and programs that contribute to individual student success, enhance the college experience and benefit the community.

Info: 541.383.7595 or [cocc.edu/ascocc](http://cocc.edu/ascocc)

### **The Broadside Student Newspaper**

The Broadside, a student-generated newspaper, offers students opportunities in reporting, writing, editing, design, layout and photojournalism and leadership through paid positions.

Info: 541.383.7252 or [broadsidemail@cocc.edu](mailto:broadsidemail@cocc.edu)

### **Club Sports/Intramural/Recreation Programs**

These programs offer opportunities for competition, skill development, leadership and recreation. Clubs are organized by students with guidance from coaches, faculty and staff. Intramural activities feature friendly competition or are solely recreational.

Info: 541.383.7794 or [cocc.edu/Sports](http://cocc.edu/Sports)

## **Student Services, continued**

### **Transportation**

Free campus shuttle service circles the Bend campus three times per hour. Maps are available at the Information Office or online at [cocc.edu/Campus-Services/Campus-Shuttle](http://cocc.edu/Campus-Services/Campus-Shuttle). Cascades East Transit (CET) includes two bus stops at COCC: the Barber Library and Boyle Education Center.

Info: [www.cascadeseasttransit.com](http://www.cascadeseasttransit.com)

## **Articulation Agreements**

As students move among various institutions, COCC has recognized the need to provide smoother transfer options for advanced degrees. As a result, the College has transfer agreements with several universities for specific majors and degrees.

### **Oregon State University – Cascades**

## **Continuing Education**

### ***Community, Business and Professional Education***

Central Oregon Community College's Continuing Education division provides skill-specific noncredit programs and services throughout the District. With a composite of services, COCC is able to efficiently offer expanded opportunities for noncredit instruction appropriate to businesses, professionals and individuals.

### **Small Business Development Center**

COCC's Small Business Development Center (SBDC) supports business vitality through no-cost, one-on-one, confidential business counseling, a yearlong Small Business Management program and practical, hands-on workshops. The SBDC continues to exceed goals in providing these business support services throughout the College District. Small Business Development Center services are available to anyone who owns or operates—or is considering starting—a small

## **Continuing Education, continued**

business. The businesses comprise a complete spectrum of business stages, from start-up to mature companies. For information, call 541.383.7290.

### **Customized Training**

Central Oregon Community College creates, coordinates and delivers quality, customized employee training to public and private sector businesses. The training is high quality, cost effective and results oriented. COCC works with businesses on computer skills, supervisory and leadership training, Spanish in the workplace and specific trainings designed to fit industry needs.

### **Community Learning**

Explore the possibilities with hundreds of noncredit classes for adults. Lifelong learning is based on the belief that people are learners at every age and are entitled to pursue educational opportunities meaningful to them.

COCC offers hundreds of noncredit classes through Community Learning. Students may develop skills and new interests through enrichment classes such as photography and cooking; get into shape with yoga and other fitness classes; enhance job skills or even develop a new career.

For more information about Continuing Education, call 541.383.7270 or visit online, [cocc.edu/ContinuingEd](http://cocc.edu/ContinuingEd).

# Cultural Resources

These groups each present concerts during the academic year:

- **Central Oregon Symphony**  
Michael Gesme, conductor
- **Vocal Ensembles**  
James W. Knox, director

# COCC Foundation

The COCC Foundation is a separate, nonprofit corporation organized in 1955 to assist the College, its students and faculty through the development of private resources.

The Foundation provides this assistance by managing a variety of funding vehicles:

- Named endowed scholarships established in memory or honor of a donor
- Planned giving through the Heritage Society
- Raising funds through private and public partnerships

In 2011-2012, the Central Oregon Community College Foundation awarded more than \$1 million in scholarships. A full scholarship in 2011-2012 was \$2,900. Out of 800 first time Foundation Scholarship applicants, 200 students were awarded scholarships. One hundred and twenty students received renewal scholarships.

COCC Foundation: 541.383.7225

or visit [cocc.edu/Foundation](http://cocc.edu/Foundation).

Jim Weaver, Executive Director

## Financial Aid

---

**Percentages of COCC certificate/degree-seeking students receiving Financial Aid:**

Students completing the FAFSA . . . . . 75.7%

Students awarded scholarships, grants

or loans . . . . . 68.6%

Students paid scholarships or grants . . . . . 56.1%

# Club Sports/ Intramural Sports

COCC Club Sports provide opportunities for intercollegiate and interclub competition, skill development, leadership and recreation. Clubs are organized by students with guidance from coaches. Students may join existing clubs or form new ones. Current clubs include:
